

1st Toongabbie Cub Unit

Weekly Challenge List **WEEK 10**

Oo's Challenge

Look at the Stars!

Find 3 constellations and tell us about them. What is their name?

Do they have a story? Is there anything special about the constellation? Can it be used for navigation, or tell us when to plant our crops? OR Look up 1 Indigenous Australian constellation and talk about its story and purpose. Can you see it in the night sky? Make a constellation viewer of your favourite constellation.

Kookaburra's Challenge

Recycling/ repurposing

Construct something out of a recycled material like milk cartons to be able to use it in your back yard.

Be creative and use your imagination.

Hint: think of birds

Chil's Challenge

Use the School holidays to gather together all the work from the challenges you have done

Get your notes, pictures, diaries etc ready to show us all when we return to Cubs.

Remember many of these things will go towards your badgework,

Nushka's Challenge

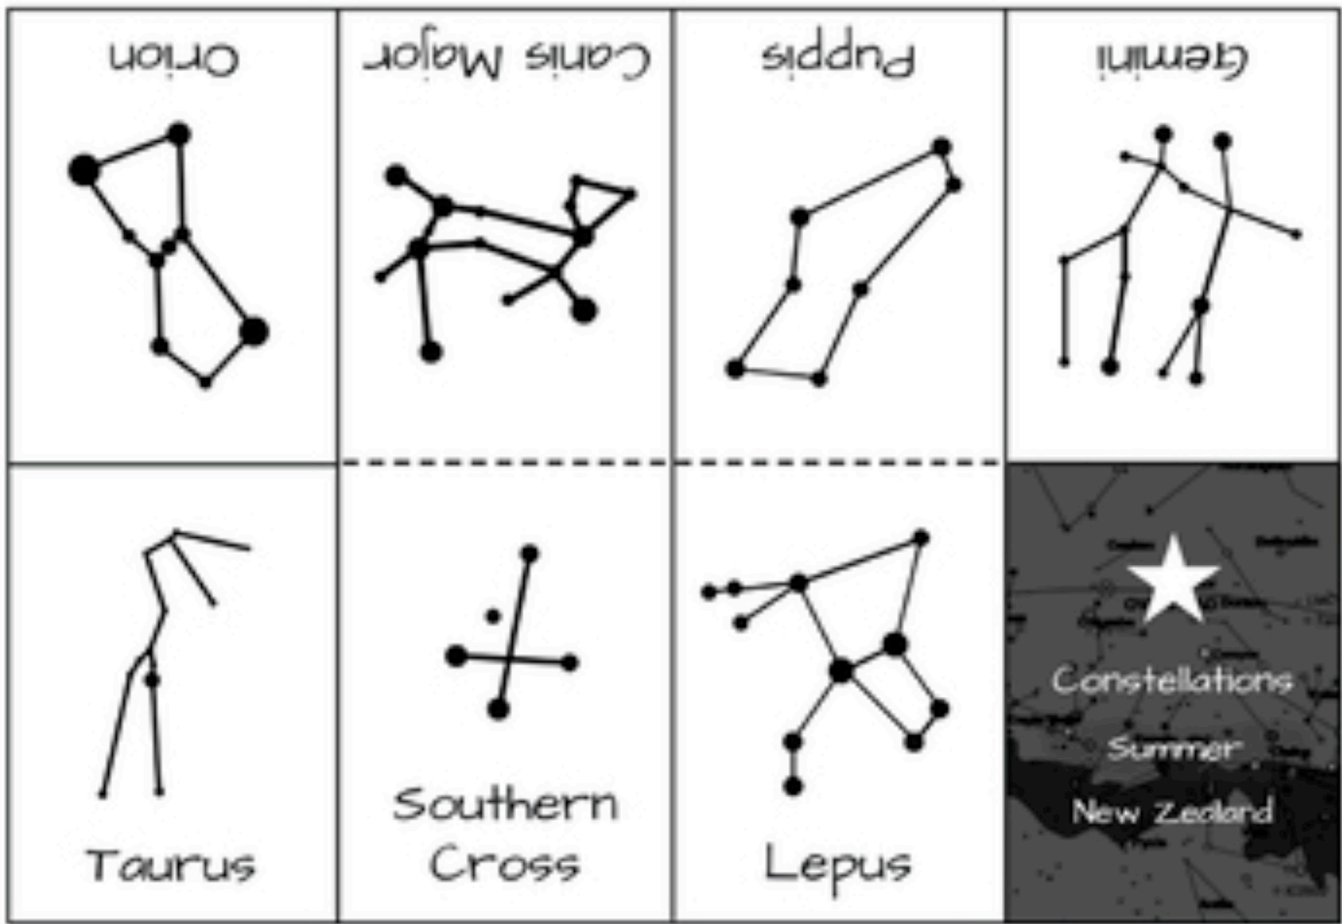

Planning for next term

Choose a game, theme or activity you would like to do when we get back to Cubs.

Remember we will need to be careful to sanitise, not share equipment, to socially distance, and there can be no activities with food.

Plan how it can be played and if it needs to be modified to be COVID safe

Email Nushka with your idea so it can be included in our planning:
