# 1<sup>st</sup> Toongabbie Cub Unit Weekly Challenge List WEEK 6

# Oo's Challenge

# Random acts of Kindness

Grab some pencils, pens, highlighters, and paper.

Use your materials to create inspirational, motivational and positive notes for your family.

Post these notes around your home – on the fridge, on the doors and on desks.

This activity encouraged you to spread positive vibes around your home. How did it make you feel? What are some other things you could do make your family smile or laugh? After all, no act of kindness, no matter how small is ever wasted.

#### Kookaburra's Challenge

# Mapping your Home

Make a local map of your own area. You need to use symbols you would see on a standard map. See the example on the next page.

Don't make it too big.

Don't forget to mark any scout halls in your area or other features of note.

### Chil's Challenge

#### International Culture

"Be Prepared" has been the Scout motto around the world since 1907. It has been translated into dozens of languages and is used by 40 million Scouts around the globe.

#### Instructions

Choose 4 countries from different continents

What is the native language of each country?

Using resources on the Internet, learn how to say and write 'Be Prepared' in each of these languages. No cheating – English doesn't count as one of these languages!

Teach a member of your family, or a friend.

### Nushka's Challenge

### **Natural Wonders**

Go outside and observe the living things around you.

Look at what is living, both BIG or SMALL.

Take notes, drawings, photos or make a collage. Really look hard and notice things you have never seen before

You can even take a cutting of a plant and see if it grows into a full plant. When we return to the hall we can plant these in our special bath tub garden.

#### Sample Map Legend
